

## Resource Planning – The Financial Analysis

Resource planning for your child after you are gone is a straightforward process. Essentially you need to plan for expenses over and above their government benefits, and depending on the stability of their employment, their personal income.

The first step on this analysis is to their calculate income. Here is a sheet that can help you do this:

<b>Source</b>	<b>Monthly Amount</b>
<b>Employment</b>	_____
<b>Government Benefits</b>	_____
SSI	_____
SSDI	_____
Survivors	_____
SSA Retirement	_____
State	_____
County	_____
Other	_____
<b>Other Sources</b>	_____
<b>Total:</b>	_____
